

Methodist Le Bonheur Healthcare Impacted Facilities

As part of our ongoing efforts to help control the rapidly rising cost of care, we're ending our current contracts with Methodist Le Bonheur Healthcare facilities and working to reach new agreements for most of our networks. If we don't reach an agreement, most Methodist Le Bonheur Healthcare facilities will no longer participate in BlueCross networks as of **Jan. 1, 2023**.

As part of these negotiations, we are also working to reach agreement with Wolf River Surgery Center before that facility's current contract ends on **Oct. 23, 2023**.

While we hope to come to an agreement that would keep the vast majority of Methodist Le Bonheur Healthcare system facilities in their current networks, we will be removing the following facilities from Network S permanently on the following dates:

- **Jan. 1, 2023**
 - Methodist Alliance Home Care Services
 - Methodist Alliance Home Medical Equipment
 - Methodist Healthcare Minor Medical Centers (Cordova, Hacks Cross, Midtown Memphis, Olive Branch)
 - Methodist Le Bonheur Germantown Surgery Center
- **Oct. 23, 2023**
 - Wolf River Surgery Center
- **Oct. 31, 2023**
 - Methodist Alliance Hospice

Methodist Le Bonheur Healthcare physician groups are not impacted by this change and will remain in BlueCross networks.

Our Medicare Advantage members are not impacted by these changes.
